

NEW YORK JETS SEASONAL INTERNSHIP

Field & Grounds Turf Management Seasonal Internship (PAID)

Florham Park, NJ

Approx. Start and End Dates: March 2017 – March 2018

The New York Jets are at a very exciting time in the organizations history with a state of the art training complex in Florham Park, NJ spanning nearly 27 acres and having three full bluegrass fields and as well as both an outside and inside Sportexe artificial field. The facility also plays host to training camp. The new complex is located just 25 miles from New York City.

Job Description:

The seasonal intern carries out the duties put forth by the Director of Grounds including mowing, watering, fertilizing, painting, snow removal, practice setup and break down and all other duties to assist in practices running smoothly. The internship will run from March 2017 till March 2018. The start date is negotiable based on candidate's school requirements and availability.

Responsibilities:

- Measure Clegg hardness, infill depth, and clean artificial surfaces as noted by calendar
- Calibrate spreader in order to apply fertilizers at their proper rate
- Aerification of all athletic fields and landscaping
- Painting athletic fields
- Mowing fields and landscape as well as string trimming

Requirements:

- Education related to turf grass management
- 1 year of previous experience
- Ability to lift 50lbs numerous times a day
- Willingness to work extended hours, including weekends
- Ability to operate some necessary equipment related to grounds maintenance
- Self-motivated, hardworking individual who is passionate about football and their profession are valued
- Ability to problem solve and act quickly without losing focus is of the utmost importance
- Attention to detail and willingness to do the little things is paramount
- Arrange their own transportation
- Written references are a plus but not required
- Must be able to work approximately 40 hours per week including some nights and weekends
