

# 2007 PARKING ALERT STADIUM PARKING POLICY

In the coming months, as we begin construction on the New Meadowlands Stadium and rail line, one of our priorities is to reduce overall vehicular traffic times, ease congestion and provide ample, well-marked parking for our fans. However, as we work to achieve these improvements, parking and traffic conditions will worsen before they get better. During construction, various lots will be closed at different times and several thousand parking spaces will be lost for the entire 2007 season. We understand the short-term challenges this will create for all of our Ticket Holders and we truly appreciate your patience as we work to alleviate parking and traffic issues on a long-term basis.

As a result of the ongoing construction there will be no reserved parking lots for the 2007 season. Instead, in an effort to ensure that all of our Season Ticket Holders have access to parking at the Meadowlands Sports Complex, we have instituted a new Pre-Paid Parking Permit Program. **You must purchase your Pre-Paid Parking Permits for the entire season by June 15th to park at the Meadowlands.** The total cost for your Pre-Paid Parking Permits is \$150 (\$15 x 10 games) for cars and SUVs.

**Please note that if you do not return the enclosed invoice and purchase Pre-Paid Parking Permits before the pre-season begins, you will not be permitted to park in any of the Meadowlands lots. Satellite parking and shuttle service to the stadium from yet to be determined areas will be available. Satellite parking location(s) should be within 2 miles of the Sports Complex.**

We strongly encourage carpooling. If your group has one Pre-Paid Parking Permit for a game and you arrive in multiple cars, only one car will be permitted to park at the Meadowlands Sports Complex. All other cars will be sent to off-site satellite parking lot(s).

Though we encourage our fans to enjoy safe and responsible tailgating activities, in an effort to ensure that all those Ticket Holders with parking permits can park at the Meadowlands, the one car, one spot policy will be strictly enforced. Violation of this rule may result in expulsion from parking lots and/or suspension of season tickets.

In an effort to maximize available parking spots for our Season Ticket Holders, as noted on the diagram on the reverse side of this sheet, Pre-Paid Parking Permits can also be used for the lots and parking deck across Route 120 on the Arena side. All parking lots and spots are available on a first come, first serve basis for Pre-Paid Parking Permit holders only.

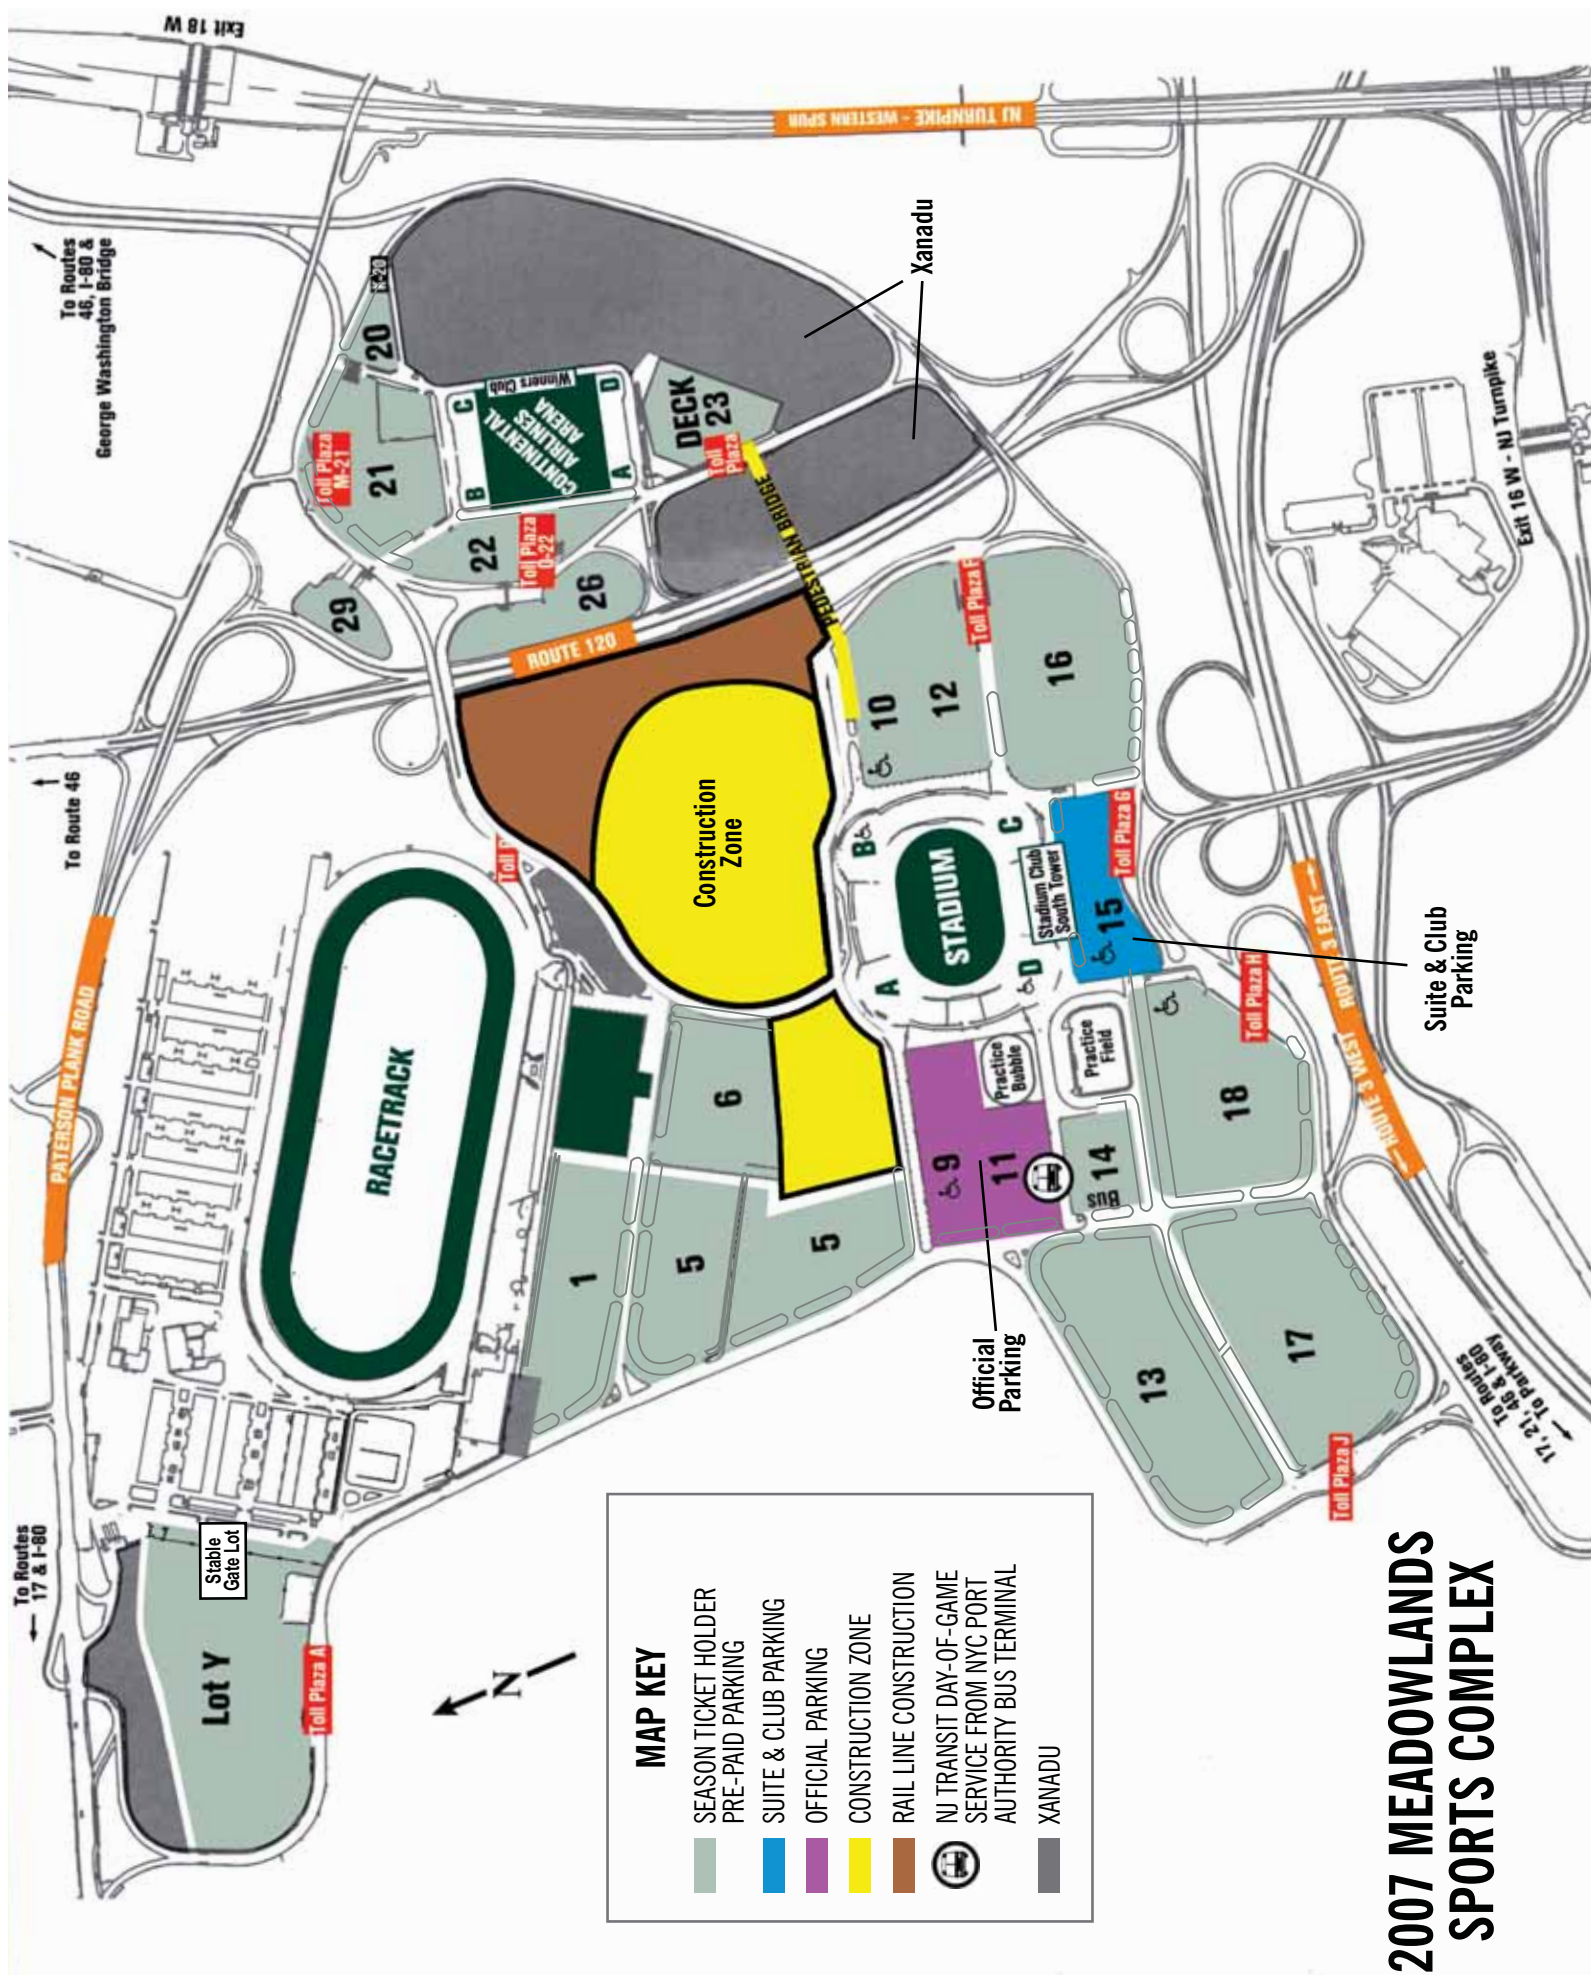

**Due to fewer overall parking spots, we will sell Pre-Paid Parking Permits to Season Ticket Holders based on the following formula:**

# OF TICKETS PER ACCOUNT	# OF PARKING PERMITS
1-5	1
6-10	2
11-15	3
16-20	4
21-50	5
Over 50	6

Formula based on 2007 conditions and subject to change dependent on future conditions.

**PAYMENT FOR PRE-PAID PARKING PERMITS DUE NO LATER THAN JUNE 15**

**SEE REVERSE SIDE FOR DIAGRAM**
